Title of the activity: Field Visit

Date:22.12.2019

Name of the Resource person: B.Venkateswara Rao ,Lecturer in Botany

No. of lecturers participated: 02

No. of students participated: 15

### **Brief report on the activity:**

The Department of Zoology organised a field visit at Kolleru sanctuary on 22.12.2019. The main objective of the Field visit is to enhance knowledge on Field level in Aqua Culture . Aquaculture systems range from very extensive, through semi-intensive and highly intensive to hyper-intensive. When using this terminology the specific characterization of each system must be defined, as there are no clear distinctions and levels of intensification represent a continuum.
