## **Training on Skill Development Programme**

- ***Background:***

- Skill development program is useful for people who have gained skills and knowledge through work or other experiences, but who do not have formal qualifications to show for it. It can help them to gain recognition for their skills and knowledge, and to improve their career prospects.

- ***Training included with:***

- Skills training is designed to provide employees with the targeted training they need to gain the knowledge and abilities necessary to fulfil the specific requirements of their job positions. Skills training can also be used to re-educate and retrain employees whenever new technology, processes, or systems debut.

- ***Ways of skill development:***

- Training Courses and Workshops. A tried-and-true method of learning is taking training courses and workshops. ...
- Find a Mentor. ...
- Online Resources. ...
- Volunteering. ...
- Video Content. ...s
- Webinars.
