About the Department

Department of Economics has been teaching Economics subject to the students of 1st, 2nd and 3rd year B.A Degree classes since they were established in 1971 under the affiliation of Adikavi Nannaya University, Rajahmundry, East Godavari District, Andhra Pradesh. Around 4 number of efficient Lecturers worked in this department, and they prepared and encouraged the students with their immeasurable knowledge.

SUCCESSIVE LIST OF LECTURERS

S.No	Name of the Lecturer	From	To
1	Venkatesam	-	2005
2	Dr. M. Subba Rao	2005	2013
3	M. Rambabu	2013	2021
4	G. Nirmala Jyothi	2021	Till Date

At present, there is only one lecturer working. The faculty members of the department always work hard to enrich the knowledge of the students and to develop the all-round performance of the students. The faculty do their best effort to develop the students' efficiency and make them in to correct way in the settlement in their lives.

Vision and Mission

VISION

To motivate young individuals and revolutionize the field of economics education by establishing a forum where innovative solutions to educational, economic, and societal issues can be envisioned through unrestricted and creative brainstorming. This collaborative process aims to engage students, and institutions in contributing to the discourse and resolution of these issues within the public or research domain.

MISSION

- To cultivate experts in the field of Economics who guide the society in eliminating the lack of economic and financial knowledge.
- The aim is to revamp the field of economics education by incorporating economics important days, revising curricula, providing training and support for educators, facilitating public lectures, conducting research on economics education, and promoting a culture of research within educational institutions.
- To improve the job prospects of students studying economics.
- The primary goal is to enhance students' understanding of educational and professional prospects within economics and its affiliated social sciences, encouraging the youth to aspire for greatness and strive for academic and career achievements.
- Highlighting the interdisciplinary aspects of economics and the diverse educational and career prospects to emphasize and encourage inclusive and diverse discussions on economic matters.
