## DEPARTMENT OF BOTANY

### VISION

We aim to provide a firm foundation in every aspect of Botany and to explain a broad spectrum of modern trends in Botany.

### MISSION

- To achieve academic success of students.
- To offer need-based education in the subject, which would be useful to take up self-employment (or) higher education.
- To familiarize the students with the natural habitats of plants by organizing, botanical field trips and excursions.
- To equip students with aptitude and respect for nature
- To encourage healthy interaction among students and also enable them to be interested in society through periodic community extension programs.
