Ambedkar Jayanti, also known as Bhim Jayanti, is an annual festival observed on April 14th to commemorate the birth anniversary of Dr. Bhimrao Ramji Ambedkar, who was born on April 14, 1891. Dr. Ambedkar was a prominent leader, social reformer, jurist, and the chief architect of the Indian Constitution. He dedicated his life to fighting against social discrimination, caste-based inequalities, and advocating for the rights of marginalized communities, especially Dalits (formerly known as untouchables).

Ambedkar Jayanti is celebrated across India with great enthusiasm. It is marked by various activities such as paying homage to Dr. Ambedkar's statue, organizing seminars, lectures, and cultural programs to spread his teachings and philosophy of social justice, equality, and empowerment. People also visit his memorials and participate in rallies and marches to highlight the ongoing struggle for social equality and the eradication of caste-based discrimination.

In 2021, due to the COVID-19 pandemic, celebrations might have been subdued or modified to adhere to safety protocols such as social distancing and avoiding large gatherings. However, the significance of Dr. Ambedkar's contributions and the ideals he stood for are remembered and honored on this day, regardless of the circumstances.
