## BREIF HISTORY OF THE COLLEGE

Narayanapuram is a village in Unguturu Mandal in West Godavari District of Andhra Pradesh. It is located between Eluru and Tadepalligudem. Narayanapuram is surrounded by tiles factories and ice factories. The village has govt high school, junior college along with our degree college. Near to this village, an ancient holy place and a popular pilgrim center DwarakaTirumala is located. Nearby big railway stations are Tadepalligudem and Eluru; nearby airports are Gannavaram airport (80 km) and Rajahmundry airport (61 km).

Sri Aravinda Satha jayanthi Government Degree College (S.A.S. Government Degree College), Narayanapuram is located between serene Krishna and Godavari rivers on the Chennai- Kolkata National Highway No.16, in West Godavari District of Andhra Pradesh state. The college was established during 1972-73 by Sri Chintalapati Varaprasada Murthy Raju under the aegis of the trust namely “Sri Chinthalapati Bapiraju Dharma Samstha” Chinanindrakolanu, West Godavari District, Andhra Pradesh in order to cater the educational needs of the students in the region.

At times when the masses of the region were engulfed in abject poverty with gross illiteracy rate and massive educational backwardness, the founder of the trust Sri Chintalapati Vara Prasada Murthy Raju who was a Gandhian, Member of Legislative Assembly and minister, had put in relentless efforts to ameliorate the local people and make the region poverty free through education. His ingenious efforts resulted in the establishment of five Junior colleges, five-degree colleges and three oriental colleges in West Godavari District; Sri Aravinda Sath Jayanthi Government Degree College being one among those colleges.

**VISION:**

To disseminate knowledge and transform the lives of the rural and marginalized sections of society through value based, professionally competent and quality education.

**MISSION:**

1. To develop learning practices for Academic and Professional Excellence.
2. To provide Quality learning through curricular, co-curricular and Extra-curricular activities.
3. To inculcate human values and spirit of service to community.
4. To create awareness among students about current socio-economic, political and cultural issues and to denounce all forms of oppression relating to class, caste and gender.
5. To sensitize students on environmental issues and motivate them on ecological justice and sustainable development.
6. To establish an Academic environment rooted in moral principles and practices.

**Motto: E<sup>3</sup>- Educate - Enlighten & Empower**

## **AIMS & OBJECTIVES OF THE COLLEGE**

1. To serve the community through qualitative Higher education at Under Graduate Level.
2. To impart qualitative and value based higher education to the students of the rural area with global standards, to fit in the global village as responsible citizens.
3. To build a knowledge Society.
4. To inculcate Social and Cultural Values.
5. To produce intellectually Competent, morally upright and socially committed Citizens.
6. To gear the youth towards nation building.
7. To imbibe the spirit of national integration.
8. To make the students personally mature, professionally equipped, and service oriented, to become assets to the community and nation.

## **JAWAHAR KNOWLEDGE CENTRE**

The Govt. of Andhra Pradesh initiated JKC in 2005 as a reliable solution to the problem of unemployment faced by students studying non-professional courses in Degree colleges of A.P. Since then prominence of JKC has been increasing gradually. Jawahar Knowledge Centre's primary aim is to provide intensive training to students in employable skills and enable them avail themselves of the bright opportunities in the global job market. Remarkably, the centres are best utilised by the poorest of the poor and marginalized sections of the society. Students from rural areas who have no access to advantages experienced by their urban counterparts are provided the latest technologies and opportunities to upgrade their skills and encouraged to compete and better their standards of living. The centre received overwhelming response from day one and the encouraging placements add to its strength and objectives.

JKC s established in degree colleges aim at providing with a world class infrastructure and experienced faculty who are totally involved in providing the students climb the ladder of success. JKC helps students to realize their potential and aim high in life and particularly it motivates and encourages students to be creative, independent and self reliant. JKC Centre in colleges helps students gain confidence and the ability to contribute to the economic and intellectual prosperity of the country.

## Specific Objectives of JKC

- \* To Encourage and motivate students to realize their potential and capabilities and maximize their scope of self achievement.
- \* To promote Government - Institute - Industry relations through training and placements.
- \* To help desiring students find employment soon after Graduation in reliable job sectors.
- \* To offer wide range of employability skills and long term employment opportunities in various Govt. and Public sector units.
- \* To engage students in training programs supported by cost effective and systematic technology backend teaching/ learning aids.

To offer career counselling to job aspiring students and guidance to students seeking higher studies.

### **The Benefits:**

- 250 hrs Training
- Training on Analytical, Technical and Employable Skills
- Training by Enabled Faculty in the industry
- Co-curricular activities to enhance Communication and Soft Skills
