Principal's Message

Since its inception, the college has carved out a niche for itself in imparting quality higher education in bachelor degree to the students who hail from rural and underprivileged sections of the region.

The college has many feathers in its cap in terms of possessing many student – centric academic infrastructure for augmenting pedagogy besides support wings. There are six classrooms, five scientific laboratories for teaching – learning transactions. The pedagogy is fortified by ICT infrastructure with a virtual class room and an e-class room for effective teaching-learning transactions. Jawahar Knowledge Centre (JKC), the flagship support wing of the college, is actively engaged in equipping the students with industry-needed and global skills. Library, with over 5000 text books and reference books and a reprographic facility is another hallmark wing of the college. In addition, N.S.S for organizing community outreach and extension programs, Women Empowerment Cell for empowering and redressing grievances of the women students and staff, a host of clubs such as Red Ribbon Club forms an integral part of the institution engaged in various intended activities. All these student-centric human and material resources employed in the college spearhead their way towards achieving academic excellence. Almost all students in the college are economically backward with parental income ranging from 40000 – 60000 per annum. The college has three groups; viz. B.A. (HEP), B.Com (General) and B.Sc. (MPC; CBZ). The college is teeming with 15 teaching staff members with Four Doctorates, two M.Phil holders with average teaching experience of 10 years in degree colleges.

Many of the alumni of the college are well settled in Government as well as private sector jobs. The college is widely known as a hub for games and sports. The college, with its sprawling 5.77 acres of playground, is a natural choice for hosting various sports and games at state and national levels by various state and national agencies. The state-of-the-art gymnasium is procured for the needs of those studying in the college.

The college adopts learner-centric pedagogy through co-curricular and extra-curricular activities such as conduct of science exhibitions, sports and games competitions, and educational tours besides exposing students to the lectures of eminent experts in various faculties. The 50 years of journey of the college had witnessed a lot of progress since its inception. The college still has many miles to go for achieving global standards.

About the College

Narayanapuram is a village in Unguturu Mandal in Eluru District of Andhra Pradesh. It is located between Eluru and Tadepalligudem. Narayanapuram is surrounded by tiles factories and ice factories. The village has govt high school, junior college along with our degree college. Near to this village, an ancient holy place and a popular pilgrim center Dwaraka Tirumala is located. Nearby big railway stations are Tadepalligudem and Eluru; nearby airports are Gannavaram airport (80 km) and Rajahmundry airport (61 km).

Sri Aravinda Sathajayanthi Government Degree College (S.A.S. Government Degree College), Narayanapuram is located between serene Krishna and Godavari rivers on the Chennai- Kolkata National Highway No.16, in Eluru District of Andhra Pradesh state. The college was established during 1972-73 by Sri ChintalapatiVaraprasada Murthy Raju under the aegis of the trust – namely “Sri ChinthalapatiBapiraju Dharma Samstha” Chinanindrakolanu, West Godavari District, Andhra Pradesh in order to cater the educational needs of the students in the region.

At times when the masses of the region were engulfed in abject poverty with gross illiteracy rate and massive educational backwardness, the founder of the trust Sri ChintalapatiVaraprasada Murthy Raju who was a Gandhian, Member of Legislative Assembly and minister, had put in relentless efforts to ameliorate the local people and make the region poverty free through education. His ingenious efforts resulted in the establishment of five Junior colleges, five degree colleges and three oriental colleges in West Godavari District; Sri AravindaSathajayanthi Government Degree College being one among those colleges.

Activities in January 2024

VOTER ENROLLMENT AWARENESS PROGRAM

6-1-24

On January 6th, the Eenadu organization held a voter enrollment awareness event to encourage students in Andhra Pradesh to vote in full. It was said that it is the responsibility of all citizens aged 18 and up to participate in our democratic country's elections. If everyone understands the importance and value of the vote, our country will become great.

COMMEMORATION DAY OF LAL BAHADUR SHASTRI

11-1-24

The death anniversary of the second Prime Minister of India is observed on 11 January. He dedicated more than 30 years to the country and is known as a man of great integrity and competence. He was a man of great inner strength, humble and tolerant. The statue in the college

premises is garlanded. Dr.TK Visweswara Rao, Principal of the college delivered the message of honesty and simplicity on the occasion. All the staff and students participated in the program.

NATIONAL YOUTH DAY

12-1-24

On January 12th, National Youth Day was observed in commemoration of Swami Vivekananda. On his birth anniversary, the entire nation comes together and pledges to empower and elevate the nation as a magnificent land of philosophy.

Vivekananda (born January 12, 1863, Calcutta [now Kolkata]—died July 4, 1902, near Calcutta) Hindu spiritual leader and reformer in India who attempted to combine Indian spirituality with Western material progress, maintaining that the two supplemented and complemented one another. His Absolute was a person's own higher self; to labor for the benefit of humanity was the noblest endeavor.

The event was conducted by ABVP leaders, and the entire staff and students participated in the occasion.

MOU with OTT Technologies

31-1-24

The memorandum of understanding (MOU) between SAS Government Degree College and OTT Technologies, represented by Principal Dr.T.K. Visweshwara Rao and the Chief Manager of OTT Technologies respectively, aims to enhance student experiences through internship, education, and occupational opportunities. This partnership will offer students hands-on training, guest lectures, and workshops, as well as potential employment prospects with OTT Technologies. Coordinator Konda Ravi oversees the collaboration, ensuring seamless communication between the college and the company. The agreement supports students' professional development while providing OTT Technologies access to emerging talent.
