## Principal's Message

Since its inception, the college has carved out a niche for itself in imparting quality higher education in bachelor degree to the students who hail from rural and underprivileged sections of the region.

The college has many feathers in its cap in terms of possessing many student – centric academic infrastructure for augmenting pedagogy besides support wings. There are six classrooms, five scientific laboratories for teaching – learning transactions. The pedagogy is fortified by ICT infrastructure with a virtual class room and an e-class room for effective teaching-learning transactions. Jawahar Knowledge Centre (JKC), the flagship support wing of the college, is actively engaged in equipping the students with industry-needed and global skills. Library, with over 8000 text books and reference books and a reprographic facility is another hallmark wing of the college. In addition, N.S.S for organizing community outreach and extension programs, Women Empowerment Cell for empowering and redressing grievances of the women students and staff, a host of clubs such as Red Ribbon Club forms an integral part of the institution engaged in various intended activities. All these student-centric human and material resources employed in the college spearhead their way towards achieving academic excellence. Almost all students in the college are economically backward with parental income ranging from 40000 – 60000 per annum. The college has three groups; viz. B.A. (HEP), B.Com (General) and B.Sc. (MPC; CBZ). The college is teeming with 15 teaching staff members with Four Doctorates, two M.Phil holders with average teaching experience of 10 years in degree colleges.

Many of the alumni of the college are well settled in Government as well as private sector jobs. The college is widely known as a hub for games and sports. The college, with its sprawling 5.77 acres of playground, is a natural choice for hosting various sports and games at state and national levels by various state and national agencies. The state-of-the-art gymnasium is procured for the needs of those studying in the college.

The college adopts learner-centric pedagogy through co-curricular and extra-curricular activities such as conduct of science exhibitions, sports and games competitions, and educational tours besides exposing students to the lectures of eminent experts in various faculties. The 50 years of journey of the college had witnessed a lot of progress since its inception. The college still has many miles to go for achieving global standards.

## About the College

Narayanapuram is a village in Unguturu Mandal in Eluru District of Andhra Pradesh. It is located between Eluru and Tadepalligudem. Narayanapuram is surrounded by tiles factories and ice factories. The village has govt high school, junior college along with our degree college. Near to this village, an ancient holy place and a popular pilgrim center Dwaraka Tirumala is located. Nearby big railway stations are Tadepalligudem and Eluru; nearby airports are Gannavaram airport (80 km) and Rajahmundry airport (61 km).

Sri Aravinda Sathajayanthi Government Degree College (S.A.S. Government Degree College), Narayanapuram is located between serene Krishna and Godavari rivers on the Chennai- Kolkata National Highway No.16, in Eluru District of Andhra Pradesh state. The college was established during 1972-73 by Sri Chintalapati Varaprasada Murthy Raju under the aegis of the trust – namely “Sri Chintalapati Bapiraju Dharma Samstha” Chinanindrakolanu, West Godavari District, Andhra Pradesh in order to cater the educational needs of the students in the region.

At times when the masses of the region were engulfed in abject poverty with gross illiteracy rate and massive educational backwardness, the founder of the trust Sri Chintalapati Varaprasada Murthy Raju who was a Gandhian, Member of Legislative Assembly and minister, had put in relentless efforts to ameliorate the local people and make the region poverty free through education. His ingenious efforts resulted in the establishment of five Junior colleges, five degree colleges and three oriental colleges in West Godavari District; Sri Aravinda Sathajayanthi Government Degree College being one among those colleges.

## Vision and Mission of the College

### VISION:

To disseminate knowledge and transform the lives of the rural and marginalised sections of the society through value based, professionally competent and quality education.

### MISSION:

- To develop learning practices for Academic and Professional Excellence.
- To provide Quality learning through curricular, co-curricular and Extra-curricular activities.
- To inculcate human values and spirit of service to the community.
- To create awareness among students about current socio- economic, political and cultural issues and to denounce all forms of oppression relating to class, caste and gender.
- To sensitize students on environmental issues and motivate them on ecological justice and sustainable development.
- To establish an Academic environment rooted in moral principles and practices.
- To impart extensive training in career and life skill sets.

## Important Wings in the College

### Jawahar Knowledge Center (JKC)

SAS Govt Degree College is equipped with the JKC platform. Although, we do not have mentors, students are trained in the area of communication skills by the English lecturer D.Reddiah who is a co-coordinator of JKC.

### Internal Quality Assurance Cell (IQAC)

The college has an IQAC committee which strives for maintaining quality standards in teaching, learning and evaluation. The committee is composed with Principal of the college as the chairman, D.Reddiah, lecturer in English as a co-ordinator and other lecturers as members. Under the guidance of coordinator, faculty members are doing NAAC related work as our college is going for NAAC assessment.

**Women Empowerment Cell (WEC)** The college has constituted WEC in order to empower the female students. MSK Krishna Jyothi, lecturer in History, is acting as coordinator of WEC. It is working effectively to promote gender sensitivity in the college.

Various programmes and activities are organized on WEC platform in order to educate and sensitize students' community.

### **National Service Scheme and Red Ribbon Club(NSS & RRC)**

The college has NSS and RCC wings and G. Nirmala Jyothi, lecturer in economics is working as coordinator for both wings. Both wings conduct various programmes to bring social awareness among students. Clean and green programme is a regular activity through which college premises are maintained.

## **Activities in October 2024**

### **SAS Government Degree College - Gandhi Jayanti Celebration 2024**

#### **October 2, 2024**

SAS Government Degree College celebrated the 155th birth anniversary of the Father of the Nation, Mahatma Gandhi, with a series of engaging events organized by the Department of History. The celebrations were held on October 2nd, 2024, under the able guidance of MSK Krishna Jyothi, Incharge of the Department of History, and supported by other participants, including G. Nirmala Jyothi from the department and G. Rammohan Rao from the Commerce Department.

The day's events kicked off with a **PPT Exhibition**, where students showcased their understanding of Mahatma Gandhi's life, teachings, and his role in India's independence movement. The exhibition provided an insightful visual journey into the key aspects of Gandhian philosophy, including his dedication to non-violence, truth, and simplicity.

The highlight of the day was a **debate on "Violence vs. Non-Violence"**, where students passionately discussed the effectiveness and relevance of Gandhi's principle of non-violence in the contemporary world. Participants engaged in thought-provoking arguments, reflecting on the ongoing importance of Gandhian values in addressing global conflicts and fostering peace. The debate provided an opportunity for students to critically analyze the complexities of violence and non-violence in today's society.

The event was a fitting tribute to Mahatma Gandhi's enduring legacy and served as a reminder of the power of peace, truth, and non-violence in creating a better world.

The students and staff of SAS Government Degree College expressed their commitment to following the ideals of Mahatma Gandhi, and the day's celebrations left everyone inspired to make a positive impact in their communities and beyond.

## 5th Freshers' Party Held at SAS Government Degree College

*SAS Government Degree College celebrated its 5th Freshers' Party with great enthusiasm and energy, marking the beginning of a new academic year for the first-year students. The event was held on [Date] and witnessed an outstanding turnout of students, staff, and faculty.*

The event was graced by the presence of Principal, Dr. T.K. Visweshwar Rao, and Vice Principal, Dr. D. Reddiah. Their support and encouragement added to the success of the occasion. The Freshers' Party was organized by Kranthi, a student from II B.Com, who took charge as the event coordinator for the day.

Addressing the gathering, Principal Dr. T.K. Visweshwar Rao welcomed the freshers to the college and encouraged them to make the most of their time at SAS Government Degree College. He emphasized the importance of academic excellence and holistic development during their college years.

Vice Principal Dr. D. Reddiah also spoke to the students, advising them to engage in extracurricular activities and build a strong foundation for their future careers. His words were a reminder for the freshers to balance studies with personal growth.

The students were treated to various fun-filled activities, including games, music, and dance performances. The celebration helped the first-year students interact with their seniors, forming new friendships and familiarizing themselves with the vibrant campus culture.

The highlight of the event was the energetic performances by the students, which included both traditional and contemporary dance numbers. The interactive games and competitions added to the excitement of the day.

The successful hosting of the 5th Freshers' Party was a testament to the collaborative efforts of the college administration, faculty, and students, particularly Kranthi, whose organizational skills ensured the event's smooth execution.

Overall, the event served as a memorable occasion for all the students, setting the tone for a productive and enjoyable academic year ahead.

## All departments Visit to Kolleru lake on 26th October:

### SAS Government Degree College Explores Kolleru Lake and Bird Sanctuary

*An Educational Visit by Five Departments | 26th October 2024*

In an inspiring initiative to promote experiential learning, SAS Government Degree College, Narayanapuram, organized a multidisciplinary visit to **Kolleru Lake and Bird Sanctuary** on 26th October 2024. The Departments of Botany, Zoology, Economics, Political Science, and History participated in the excursion, providing students a unique opportunity to blend theoretical knowledge with practical observation. The visit to Kolleru Lake, one of India's largest freshwater ecosystems and a globally recognized Ramsar site, highlighted its ecological, economic, and historical significance.

### Focus Areas for Each Department

- **Botany Department:**

Students explored the lake's diverse flora, studying aquatic and semi-aquatic plant species critical to sustaining the ecosystem. The visit enhanced their understanding of wetland vegetation and its role in ecological balance.

- **Zoology Department:**

The sanctuary provided a living laboratory for students to observe migratory birds, including the grey pelican and painted stork. They gained insights into bird migration patterns, nesting behaviors, and conservation challenges.

- **Economics department**

Discussions centered on the lake's contribution to local livelihoods through fishing, aquaculture, and tourism. Students analyzed the economic dynamics of resource use and sustainable development in the region.

- **Political Science Department:**

The team examined policy frameworks and governance mechanisms protecting Kolleru Lake under the Ramsar Convention and Indian environmental laws. This study shed light on the intersection of politics, environmental sustainability, and community engagement.

- **History Department:**

Participants delved into the historical narratives of Kolleru Lake, its cultural relevance, and its role in shaping regional socio-economic activities over the centuries.

## Key Takeaways

The visit successfully fostered interdisciplinary learning and awareness among students. By observing Kolleru Lake's ecosystem and its importance to local communities, the students developed a holistic appreciation of conservation and sustainable practices.

# Educational Visit to the School of Business and Commerce, Pithapuram Government Degree College

**Date: October 26th, 2024**

On October 26th, 2024, the Department of Commerce at SAS Government Degree College, Narayanapuram, organized an educational visit to the prestigious School of Business and Commerce, Pithapuram Government Degree College. This visit aimed to enhance the students' practical understanding of contemporary commerce and business practices.

The department, led by **Dr. G. Rammohan**, Head of the Commerce Department, guided the students on this insightful journey. Accompanying him were esteemed faculty members **Mrs. Lavanya** and **Mr. Raghu**, who provided valuable insights and support throughout the visit.

During the session, students interacted with experts in the field, participated in workshops, and explored innovative teaching methods employed at the School of Business and Commerce. This exposure is expected to deepen their conceptual knowledge and inspire them towards academic excellence.

The visit also fostered professional networking and introduced students to the cutting-edge developments in the commerce sector, thereby bridging the gap between theoretical knowledge and its practical application.

The Department of Commerce extends its gratitude to the faculty and administration of Pithapuram Government Degree College for their hospitality and for sharing their wealth of knowledge with our students.

This educational visit marks another milestone in the efforts of SAS Government Degree College to provide experiential learning opportunities and equip students for future challenges in the business world.
