Student Seminars

Statistics

A seminar was organised by the Department of Economics on 20-07-2023. Students are strongly encouraged to attend seminars regularly to become acquainted with the broad range of research topics in statistics importance of theory and problems.

Agriculture

A seminar was organised by the Department of Economics on 20-07-2023. This seminar presentation focus on the agricultural sector role in the process of economic development of a nation. Like other sectors agriculture has also seen many revolutions. As the global population has been continuously increasing, huge food production must be achieved. Conventional agricultural procedures aren't effective to meet these ever-growing challenges of agricultural production in terms of productivity, environmental pact, food security, and sustainability.

Group Discussion

- Group discussion or GD aims to test the interpersonal skills, oratory skills, and leadership skills of the students.
- It is held as an aid to understanding different perspectives on a particular topic and gaining in-depth knowledge about the same.
- It evaluates the communication skills and manner of students.
- Arguments around the given group discussion topics also help the examinee to understand your open-mindedness and thinking process.
- It evaluates your rigidity towards accepting other person's point of view.

Debates

Debate is one of the cultural activities. Debate is a process that involves formal discourse, discussion, and oral addresses on a particular topic or collection of topics, often with a moderator and an audience. In a debate, arguments are put forward for common opposing viewpoints. Debates mostly conducted for educational and recreational purposes, usually associated with educational establishments, and debating societies. These debates emphasized logical consistency, factual accuracy, and emotional appeal to an audience. Modern forms of competitive debate also include rules for students to discuss and decide upon the framework of the debate.

Role Plays

Role plays exercises give students the opportunity to assume the role of a person or act out a given situation. These roles can be performed by individual students, in pairs, or in groups which can play out a more complex scenario. Role plays engage students in real-life situations or scenarios that can be “stressful, unfamiliar, complex, or controversial” which requires them to examine personal feelings toward others and their circumstances.
