Awareness Program on AIDS

- ***What is AIDS:***
    - Human immunodeficiency virus (HIV) is the virus that causes acquired immunodeficiency syndrome (AIDS). When a person becomes infected with HIV, the virus attacks and weakens the immune system. As the immune system weakens, the person is at risk of getting life-threatening infections and cancers.
- ***How long people can live with AIDS:***
    - Many people living with HIV can expect to live as long as their peers who do not have HIV. Studies show that a person living with HIV has a similar life expectancy to an HIV-negative person – providing they are diagnosed in good time, have good access to medical care, and are able to adhere to their HIV treatment.
- ***Is AIDS as STD:***
    - HIV is a sexually transmitted infection, but it can progress to a disease called acquired immunodeficiency syndrome (AIDS) when HIV infection is untreated with HIV medicines. Other examples of STDs are chlamydia, gonorrhea, human papillomavirus (HPV) infection, and syphilis.
- To foster early detection of HIV infection among persons with ongoing risk for HIV
- To enhance earlier referral to prevention and treatment

WOMEN EMPOWERMNET CELL

2018-19

ACTIVITY-1

Event Title: Health and Hygiene Orientation Program

Date: July 28, 2018

Name of the Resource Person: Dr.Vidya Rani

Participants:

Lecturers: 4

Students: 42

DETAILED REPORT:

On July 28, 2018, the Women Empowerment Cell of SAS Govt Degree College, Narayanapuram, took a proactive step towards promoting well-being and personal hygiene by organizing an insightful orientation program on health and hygiene. The event, which saw the participation of both faculty members and students, aimed to educate and empower individuals to adopt healthy habits and maintain proper hygiene practices.

The orientation program commenced with a warm welcome extended to all attendees, setting a positive tone for the session ahead. With the guidance of the resource person participants embarked on a journey of self-discovery and enlightenment regarding various aspects of health and hygiene.

The resource person, drawing upon their expertise in the field, delivered an engaging and informative presentation encompassing topics such as the importance of nutrition, the significance of personal hygiene, and the prevention of common ailments. Through interactive discussions, practical demonstrations, and real-life examples, participants gained valuable insights into the impact of health and hygiene on their overall well-being.

Faculty members actively participated in the discussions, sharing their experiences and knowledge to enrich the learning experience for students. The collaborative atmosphere

fostered open communication and the exchange of ideas, creating a conducive environment for learning and growth.

Furthermore, the orientation program served as a platform to dispel myths and misconceptions surrounding health and hygiene, empowering participants to make informed decisions regarding their lifestyle choices and habits. Practical tips and strategies were shared to help individuals incorporate healthy practices into their daily routines, thereby promoting longevity and vitality.

As the session concluded, participants departed with a renewed sense of awareness and commitment to prioritize their health and hygiene. The orientation program, organized by the Women Empowerment Cell, proved to be a significant step towards fostering a culture of well-being and empowerment within the college community.

In conclusion, the Health and Hygiene Orientation Program was a resounding success, leaving a lasting impact on all attendees and paving the way for a healthier and more empowered future.

ACTIVITY-1

Event Title: Health and Hygiene Orientation Program

Date: July 28, 2018

Name of the Resource Person: Dr.Vidya Rani

Participants:

Lecturers: 4

Students: 42

DETAILED REPORT:

On July 28, 2018, the Women Empowerment Cell of SAS Govt Degree College, Narayanapuram, took a proactive step towards promoting well-being and personal hygiene by organizing an insightful orientation program on health and hygiene. The event, which saw the participation of both faculty members and students, aimed to educate and empower individuals to adopt healthy habits and maintain proper hygiene practices.

The orientation program commenced with a warm welcome extended to all attendees, setting a positive tone for the session ahead. With the guidance of the resource person participants embarked on a journey of self-discovery and enlightenment regarding various aspects of health and hygiene.

The resource person, drawing upon their expertise in the field, delivered an engaging and informative presentation encompassing topics such as the importance of nutrition, the significance of personal hygiene, and the prevention of common ailments. Through interactive discussions, practical demonstrations, and real-life examples, participants gained valuable insights into the impact of health and hygiene on their overall well-being.

fostered open communication and the exchange of ideas, creating a conducive environment for learning and growth.

Furthermore, the orientation program served as a platform to dispel myths and misconceptions surrounding health and hygiene, empowering participants to make informed decisions regarding their lifestyle choices and habits. Practical tips and strategies were shared to help individuals incorporate healthy practices into their daily routines, thereby promoting longevity and vitality.

As the session concluded, participants departed with a renewed sense of awareness and commitment to prioritize their health and hygiene. The orientation program, organized by the Women Empowerment Cell, proved to be a significant step towards fostering a culture of well-being and empowerment within the college community.

In conclusion, the Health and Hygiene Orientation Program was a resounding success, leaving a lasting impact on all attendees and paving the way for a healthier and more empowered future.
