Awareness Program on Plantation

- **Objective:**

- To achieve tree cover over 50 per cent of the total geographical area of the state by bringing an additional 40 lakhs hectares of land under tree cover by 2029.
- Each and every citizen of Andhra Pradesh across the social, economic, demographic, gender, and political spectrum ought to become partners in this programme that would benefit not only the state but also the nation and the entire world through eco-regeneration.
- Apart from its impact on environment and climate change, the programme is an effort to strengthen the bond between the nature and people.

- **Benefits:**

- Save paper – Save trees
- Plant a tree – Plant a life
- Saving trees is our duty
- Think green – Go green
- If we protect plants – they protects us
- Conserve plants – Conserve life
- Plant a tree – get the air free
- Plant a tree – Reduce the pollution.
- Tree on – Global warming gone.
- If cut a tree – It kills a life
