Awareness program on Ragging

- **Purpose:**

- Ragging is a disturbing reality in the higher education system of our country.
- Even though over the years ragging has claimed hundreds of innocent lives and has ruined careers of thousands of bright students, the practice is still perceived by many as a way of 'familiarization' and an 'initiation into the real world' for young college-going students.
- Other organisations/bodies working in this field have also attempted to define ragging, the variety of definitions being reflective of differences in perspective.

- **Anti-Ragging Initiative and committee:**

- Any disorderly conduct whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness any other student, indulging in rowdy or undisciplined activities which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student or asking the students to do any act or perform something which such student will not in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student".
