

OBJECTIVES

The main objectives of the program are intended to:

1. Develop and strengthen Human Resources by imparting knowledge and skills in Floristry ;
2. Create awareness about the opportunities for employment and livelihood in the Floristry sector; and
3. Impart basic knowledge and technical proficiency in Flower arrangement.

OUTCOMES

1. Students gain the knowledge of floral arrangements beautifully and skilfully.
2. Students get to know better management of Floristry work which in turn will improve the self employment opportunities.
3. Students gain knowledge of gardening cost-effectively and sustainably.

REPORT ON THE CERTIFICATE COURSE

As a part of academic activity, the Department of Botany has conducted a certificate course in sustainable home gardening from 27.01.2020 for the academic year 2019-2020. The important objective of the course is to improve basic knowledge on Flower Arrangement among UG degree students. As per the instructions given by the principal during the minutes of the meeting, 16 members of the students are enrolled in the certificate course. The botany faculty member has engaged in classes for 30 hours and dealt the basic concepts of the subject. At the end of the course an external examination with multiple choice questions was conducted for the assessment of learners understanding levels of knowledge. The minimum qualifying marks for the award of certification is 40%. All the students completed the course successfully and got certificates during the academic year 2019 and 2020.
