Removal and disposal of Plastic from college campus

- **Background:**
 - International Plastic Bag Free Day is celebrated on July 3 every year. The initiative was started by the Bag Free World campaign, a global movement aiming to reduce the use of single-use plastic bags that inspired other parts of the world to participate in Plastic Bag Free Day.
- **Why celebrate:**
 - To increase public awareness of the damaging effects that single-use plastic bags have on the environment.
- **Theme:**
 - There is no specific theme for 2023 International Plastic Bag Free day. The significance of International Plastic Bag Free Day is to create a consciousness to take measures towards decrease the dependency on plastic bags and promoting other alternative solutions that are sustainable.
- **Who started:**
 - The initiative was started by the Bag Free World campaign, a global movement aiming to reduce the use of single-use plastic bags. The campaign was launched in 2008 by a group of organisations and individuals concerned about the environmental impact of plastic bags.
