Sub: Permission for Field visit – ARNAV POLYMERS Unguturu on 31.02.2023

This field trip has been carefully planned to align with the curriculum and will provide students with a hands-on learning experience that complements what they are studying in the classroom. Additionally, it offers an opportunity for students to develop important social skills and build relationships with their peers in a different environment.

I assure you that safety will be our utmost priority throughout the trip. We have taken all necessary precautions and will ensure that students are supervised at all times. In case of any emergencies, we will have first aid kits and emergency contact information readily available.

I kindly request your approval for this field trip and would appreciate your support in making it a successful and enriching experience for our students. If you require any further information or have any concerns, please do not hesitate to contact me (Smt G. Hepzibah, Lecturer in Chemistry).

Thank you for considering my request. I look forward to your positive response.
